

Organic Green Tea – Detox Blend

Refresh Your Body & Mind

Our organic green tea detox blend will help you feel better in both body and mind. Lemon and mint are added to the carefully chosen green tea leaves to give them a zesty, refreshing flavor. This detox tea is different from regular tea because it helps with weight loss, improves digestion, and encourages your body to detox naturally.

Why You'll Love It

- Naturally speeds up metabolism
- Helps with regular digestion and detoxification
- Lowers stress, and boosts energy levels
- Encased in eco-friendly packaging

Ingredients Highlight

- Organic farms grow the best green tea leaves
- Using fresh lemon extracts gives it a new sour flavor
- Mint leaves are naturally cool and refreshing

How to Use

- To a cup of warm water (80 to 85 degrees Celsius), add one teaspoon of tea.
- Steep for two to three minutes
- Enjoy hot in the morning after meals for energy or digestion

Radiance Glow Face Serum

Treat your face the way it deserves to be treated by using our Radiance Glow Face Serum for bright skin. This lightweight face serum works deep into the face to brighten dull skin, reduce fine lines, and replenish moisture. It contains hyaluronic acid and vitamin C. It is perfect for daily use because it leaves your skin feeling refreshed, smooth, and radiant.

Why You'll Love It

- Using vitamin C face serum, skin tone is naturally balanced and brightened.
- Deep hydration and a non-greasy finish thanks to hyaluronic acid serum.
- Reduces wrinkles and the symptoms of early aging by using anti-aging serum.
- Face serum that works for all skin types.

How to Use

- After cleansing your face, apply two to three drops of the face glow serum.
- Give yourself a gentle upward massage.
- For optimal effects, use both in the morning and at night.
